

KingMask

anesthesia breathing mask

Performance. Comfort. Leak-proof Seal.

The innovative King Mask offers many unique features that make it more comfortable and preferable to clinicians and patients alike.

Performance.

- Designed with the clinician and patient in mind.

Comfort.

- Inflatable cushion and rounded edges offer optimal comfort.
- Round design and six sizes fit nearly every patient.
- Fresh Scent™ masks provide natural mint oil scent to relax patients.
- Pediatric Sweet Dreams™ masks are available in strawberry, cherry, and bubble gum to reduce anxiety in children before surgery.

Leak-proof Seal.

- Supple cushion surface delivers a full-face seal with minimal pressure.
